The program offers a 401(k) and a 457 plan. <b>Retirement Benefit Limits Per Internal Revenue Code</b>	x	x	x	x	<p>The California Public Employees' Retirement System (CalPERS) administers the employer-sponsored retirement program for State employees. CalPERS is a qualified retirement plan under the Federal Internal Revenue Code, and this allows employee contributions to be made on a pre-tax basis. To continue as a qualified plan, CalPERS is required to ensure that the retirement benefits for employees first hired after January 1, 1990, are limited to the amounts annually indexed for the private sector. CalPERS will keep members informed during their employment as to the impact of these limits on their future retirement benefits. If benefits must be limited, CalPERS will enroll members in a benefit-replacement plan.</p>

<b>Rural Health Care Equity Program</b>  Govt. Code 22877	x	x	x	x	The State offers a Rural Health Care Equity Program for R05 employees residing in zip code areas that do not have an HMO option. The program is designed to reimburse certain deductibles, co-insurance amounts, and portions of premiums. Employees should contact their Personnel Office for details or the Department of Personnel Administration's Benefits Division at (916) 327-1439. Information is also posted at <a href="http://www.dpa.ca.gov">www.dpa.ca.gov</a> (under "Benefits").
<b>FlexElect Program</b>  DPA Rule 599.950 - 599.955	x	x	x	x	FlexElect offers two employee benefits: Reimbursement accounts and cash option. With a Medical and/or Dependent Care Reimbursement Account, employees designate monthly pay check deductions to pay certain expenses with pre-tax income. Employees must reenroll each year if they want to participate in a reimbursement account the next year. The FlexElect cash option is available to employees who do not have Consolidated Benefits. These amounts are considered taxable.  \$128 per month in lieu of State-sponsored medical insurance \$12 per month in lieu of State-sponsored dental insurance \$140 per month in lieu of State-sponsored medical and dental insurance  FlexElect enrollees pay a monthly administrative fee of \$2.50.  For more information, please call the Department of Personnel Administration's Benefits Division at (916) 322-0300, or visit <a href="http://www.dpa.ca.gov">www.dpa.ca.gov</a> (under "Benefits").
<b>Consolidated Benefits</b>	x	x	x	x	Under Consolidated Benefits (CoBen), the State provides a monthly benefit allowance to supervisors, managers, confidentials, and excluded employees to pay for their health, dental, and vision benefits. After the benefits have been paid, employees receive any excess allowance as taxable income. If employees choose benefits that cost more than the allowance, the additional amount is deducted from their pay check on a pre-tax basis.  Employees who have coverage from another source, e.g., a spouse, domestic partner, or former employer, may opt to receive cash in lieu of medical or medical and dental coverage. These payments are considered taxable income and are as follows:  \$155 - cash in lieu of State-sponsored health and dental insurance. \$130 - cash in lieu of State-sponsored health insurance.
<b>Premium Only Plan</b> (Pre-Tax Benefits)	x	x	x	x	Any out-of-pocket health and/or dental premium incurred by an eligible employee is deducted from the employee's paycheck on a pre-tax basis.

<b>Health Benefits</b>  DPA Rule 599.920	x	x	x	x	<p>Employees may choose from among Health Maintenance Organizations (HMO), Preferred Provider Organizations (PPO), and Association plans (require union membership). Although PERSCare and PERS Choice are available in all locations, not all the other plans are offered statewide. The employer contributes toward the premiums for permanent employees working half time or more and eligible permanent intermittent employees.</p> <p>The Consolidated Benefits brochure includes rate and allowance information for excluded employees.</p> <p>If the monthly cost of the employee's health plan exceeds the employer contribution, the employee pays the rest with pre-tax dollars. PPO plans may require an employee-paid annual deductible before benefits are paid. For additional information, refer to the CalPERS Health Booklets: Health Benefit Summary, HBD-110 and Health Program Guide, HBD-120 or contact your Personnel Office.</p>
<b>Domestic Partner Coverage</b>	x	x	x	x	<p>To be eligible to enroll a domestic partner, the State employee and his or her same-sex partner must file a Declaration of Domestic Partnership in accordance with guidelines established by the Secretary of State's office. If you are in a committed opposite-sex relationship where one partner is 62 years or older, you have the opportunity to register as domestic partners.</p> <p>An employee who registers a domestic partnership, may enroll the partner as an eligible family member in State-sponsored health, dental, and vision benefits and receive the increased employer contribution for that coverage. Employees are eligible to add domestic partners' children to benefit plans if they meet the definition of economic dependents. Because the Internal Revenue Service does not recognize domestic partner coverage, the premium difference between one- and two-party coverage will be treated as taxable income to employees who add a domestic partner and/or dependents to their health and dental benefits.</p> <p>Employees should contact their Personnel Office for additional details regarding this benefit.</p>
